A Fair Proposition.

The only real "fair proposition" that has been offered in Roswell for a long time is the "fair proposition" to take a chance for lot 14, block 3 at the corner of Richardson Avenue and Ninth street. This is one of the best residence lots in the city. Take a chance at it for \$1.00 and you may secure five hundred for one. It is a forced sale and you should profit by it. As soon as all the numbers are taken the lot will be given away to one of the holders. You may be that one. See Geo. Chapman on the street and get a number, or leave word at the Citizens' bank.

Here is a chance to get one of the best lots in Roswell for \$1.00.

A MASQUE CARNIVAL.

To-Morrow Night the Masquers Will Hold High Carnival.

It is the desire of the fair committee that to-morrow night everybody mask, and that the evening be given over to fun and frolic. Everyone should turn out and make this evening one long to be remembered.

Caution should be observed however by those that mask. There will be no rowdiness allowed. The throwing of paint, tar, blacking, etc., and anything that will injure clothing will be strictly prohibited. No property must be destroyed. Only clean confetti will be allowed to be thrown. Turn out to-morrow night and indulge in hilarious but innocent fun.

A SANITARIUM.

Prospects Are That One Will Be Established Soon.

Father Herbert of the Catholic church of this city informs us that he is now in correspondence with parties in the east in regard to the establishment of a large sanitarium in Roswell and he believes he has every prospect of success.

Nothing is more needed in Roswell than a large sanitarium conducted on modern up-to-date methods where health seekers who come here in the advanced stages of diseases can be taken care of. It is to supply this want which everyone recognizes that Father Herbert has undertaken this enterprise. He has received much encouragement from the citizens here, and it is earnestly hoped that his present plans will materialize.

Barn Paint

is as necessary to the proper protection of the barn and out buildings, as house paint is to the house. Although the barn may be built of coarser lumber and less expensive material throughout, it deserves to be painted, and should be if you want to increase the life of the wood.

THE SHERWIN-WILLIAMS CREOSOTE PAINT is made especially for use on barns, fences, roofs, and all buildings built of rough or coarse lumber. It contains "creosote", a disinfectant that prevents decay. It is good paint at a moderate cost. Get color cards and prices.

Hitch Your Horses.

Not to the stars but to a post. Marshal Pilant arrested one man yesterday for leaving his horses unhitched, and the same treatment will be accorded everyone who is careless enough to leave their horses without securely tying them. In the present crowded condition of the streets, when a runaway might mean the loss of life as well as property it is absolutely essential that this hitching ordinance be strictly enforced.

So, if you are arrested for leaving your horses unhitched and are compelled to pay a fine, don't blame THE RECORD for not calling your attention to this matter. Hitch your horses.
